

Project: English Theatre

The smartest giant in town

SUMMARY

School:	NMS Praxisschule Hubertusstraße
Class:	1a
Pupils:	20
Students:	Rafaela Filipovic, Sabrina Gasmayer, Katja Greilberger, Victoria Lex, Kristina Wiedenig
Supervising tutor:	Samantha Clay, BEd MA
Subjects:	English, music, art, biology
Length of the project:	04.04.2017- 07.04.2017
Presentation:	07.04.2017, first lesson
Content:	<p>Our project was about the topic sharing. The pupils should learn that it is important to help other people and that sharing will make them happy too. We have prepared a story based on a picture book called "The smartest giant in town". All the pupils should know the content and what this story has to do with sharing. The pupils also learned a song which was about this topic. The song was also in different languages because in the 1a there are many pupils who have got another mother tongue. All the pupils should also learn to "sing" the song in sign language because this is another language which is also spoken in the 1a. The pupils also created background pictures and masks for the presentation on Friday. All children learned a rhyme concerning the picture story. On Friday all pupils were actors and actresses and were on the stage.</p>
Project presentation:	<p>Powerpoint presentation with the pictures drawn by the pupils in the background Pupils were in the front of the stage with their masks on Everybody was acting out the last scene of the story We all sang the song together</p>
